Description

- Beginning tentatively late August 2014, County V will be closed at US 51 until the end of November 2014, to construct 3 roundabouts and a full interchange, similar to Windsor Road.
- There will be a detour route in place for the duration of the closure utilizing County I, DM and C.
- US 51 traffic will be bidirectional on the new northbound lanes from County V / Mueller Road north and 2-lanes in each direction separated by a median from Holum Street south.
- The Linde Fields Soccer Complex will be accessible via the temporary Windsor Way / County V east intersection or Portage Road and the new County V.
- The temporary Holum Street intersection provides alternative access to DeForest, while the temporary Windsor Way / County V east intersection provides alternative access to Windsor.
- Please be alert and follow all traffic control when traveling through the project area, because configurations and activities change regularly.
